

## **PULLING IT ALL TOGETHER**

Regionally Coordinated Transportation Planning  
Workshop ♦ November 2016

## **PULLING IT ALL TOGETHER**

- Plan is to include strategies to bridge gaps and meet unmet transportation needs, especially of priority population groups – individuals with disabilities, persons 65+, individuals with low incomes, children, veterans, people needing transportation to/from employment
- 

## PULLING IT ALL TOGETHER

- Refer to Table of Contents
  - Final plans due Feb. 28, 2017
  - Documentation of Inclusive Process including **names** of stakeholders who participated in process to develop the plan and **names & signatures** of stakeholders who adopted the plan
- 

**Thank You!**
